Reference Dr. Kalliwoda,

Dear Dr. Kalliwoda

Since 2019 CLIQ Digital AG takes part at Dr. Kalliwoda Capital Markets Conferences and Roadshows. We have met several interesting investors in Madrid and Warsaw during one-on-one meetings and a few group meetings. Furthermore, we have participated in a digital investor meeting during the COVID-19 pandemic in April 2020 as replacement for the traditional 5th Kalliwoda-Amsterdam-Conference. All events have been professionally organized by Kalliwoda Research.

The investors from Dr. Kalliwoda his network help us to expand the investment horizon of CLIQ Digital AG. We look forward to continue the investor conferences and roadshows with Kalliwoda Research in the near future.

Yours sincerely

Ben Bos
Member of the Board of CLIQ Digital AG
